Garrity joins FCH board

KENT — The Foundation for Community Health has announced that Karren Garrity of Kent has joined its Board of Directors.

Garrity is a therapist working with individuals, families and couples for more than 20 years. She lectures, presents workshops for parents and conducts professional development seminars for teachers.

In addition to the Foundation for Community Health, Garrity has served on the Kent Board of Education and the Board of Selectmen, as well as the Environmental Task Force and the Kent Education
