Kinship Circles of Support

The Kinship Circles is a program for Hispanic immigrant women who are looking to be part of a network of support, seeking lasting friendships and acquiring information on how to access resources and services that are available to them and their families in the Northeast Communities and throughout Dutchess County. This information is then meant to be passed on to the families and then disclosed the communities to be most effective.

Case Management is also provided. Case Management is a collaborative process of assessment, facilitation, evaluation and advocacy for options and services to meet an individual’s and family’s comprehensive needs through available resources to promote clients’ effective outcomes.

The group invites presenters from local community agencies to provide information in the areas related to:

- Personal and family health
- Achieving life goals
- Navigating local school systems
- Improving wellness and nutrition
- Increasing access to local health resources
- Leadership Development
- Immigration Updates

Meetings are free and held once a month in the following areas:

- **Millerton- First Wed. of the month** (10 a.m. - 1 p.m.)
  North East Community Center, 51 South Center St., Millerton NY 12546
