Kenneth Schechter Joins FCH Board

The Foundation for Community Health is pleased to announce that Kenneth Schechter has recently joined the Board of Directors. His background and interests are valuable assets that will assist the Foundation to carry out its mission to increase access to quality, affordable and timely healthcare for the residents living in the northwest hills of Connecticut and in the greater Harlem Valley in New York.

Mr. Schechter, a resident of Salisbury, Connecticut, is a principal in Parallel Holdings LLC & Parallel Asset Management LLC. Prior to forming Parallel Holdings, he was the President and founder of Parallel Capital LLC, a commercial real estate lending company with offices throughout the United States. A specialist in income producing real estate, he was previously a managing partner of TCS Group, L.P., a holding company that owned and managed multi-family apartment buildings in the New York metropolitan area.

Previous to entering business, Mr. Schechter spent several years working in politics and social advocacy in Massachusetts. Based in Boston, he helped organize and served as the campaign director for a statewide children's rights advocacy effort that grew out of the efforts of the Massachusetts Advocacy Center and served as a model for similar efforts throughout the U.S.

Along with his wife Edie, he served as co-chair of the Parent's Fund of Kenyon College. They are also Presidential Fellows of Kenyon College.

Mr. Schechter graduated with an AB degree from Vassar College in 1973 and received a J.D. from the New York University School of Law in 1979. He was a member of the New York State Bar.
